

**Get a plate.  
Support a classroom.**

Put money back into *your*  
local school district.

---

Since the plate's  
introduction in 1997,  
public schools  
throughout Indiana  
have received more  
than \$5.8 million to  
support classroom  
activities and  
learning.

# Put money back into *your* local school district.

Purchasing a “Hoosier Family of Readers” license plate in Indiana supports your schools. Nearly \$19 of the specialty plate’s administration fee is sent to your selected school’s education foundation. In turn, the foundation uses those funds for teacher grants and innovative programs that enhance learning for all students in the district.

When you purchase an Education specialty plate and designate your school district, funds are directed to the district’s education foundation by the county auditor.

Public education foundations in many school districts around Indiana exist to bridge the gap between what public funds support and what school districts and teachers need to bring the curriculum to life. Private funds have been raised to pay for such items as:

- Grants that provide learning resources to classrooms
- Tutoring centers at local high schools
- K-12 science resource centers
- Literary initiatives for all grade levels
- Extracurricular activities
- Intercultural learning programs

## How to Purchase a Plate: Receive an Education Specialty Plate on a License Plate Renewal:

- Go to the Indiana BMV website at <http://www.in.gov/bmv/> and log into your BMV account to pull up your vehicle registration.
- Click on “Change My Plate.”
- In the Category field, choose “Special Organizations.”
- In the Specific Plate field, choose “Education.”
- Select your county of residence and the school district to receive proceeds from your purchase.
- Continue your license plate renewal as usual.

## Renew Your Current Education Specialty Plate:

- Go to the Indiana BMV website at <http://www.in.gov/bmv/> and log into your account to pull up your vehicle registration.
- Renew normally, and it renews your commitment to education.

## Get an Education Specialty Plate for a New Vehicle:

- Go to the Indiana BMV website at <http://www.in.gov/bmv/> and click on “Register a New Vehicle Online.” Log into your account.
- In the purchasing process, you should select the following:
  - In the Category field, choose “Special Organizations.”
  - In the Specific Plate field, choose “Education.”
  - Select your county of residence and the school district to receive proceeds from your purchase.
- Continue your license plate purchase as usual.
